Equine Entertainment

Mike Hunter in recording studio
with his Ibanez Ergodyne 5-
string bass guitar.

Mike Hunter can be heard playing in The Mark Gorman Band, at the Lakewood Bar and Grill Friday, Aug 5th at 8pm (\$10 cover). Located at 6340 Gaston (between LaVista and Abrams).

<http://www.lbgdallas.com/>, it's about a 3 minute walk from the Lakewood Starbucks.

There was a very nice article about the band in the June Issue of *Waxahachie Now* at: <http://nowmagazines.com/onlineeditions/editions/611waxahachie.pdf>. Scroll down to page 36 for the article.

They're a 4 piece group with acoustic guitar, electric bass, drums and 3-part harmonies, and play a Texas kinda country music. Probably 2/3 of the show is Mark's original songs, the rest are very cool arrangements of cover tunes. There is also more about the band at Mark's website at www.mgband.com.

Not to be missed movies:

Buck Brannaman - <http://www.brannaman.com/>.

War Horse movie trailer <http://www.youtube.com/watch?v=d6Ru9Y9Xwjg>. Coming this December.
