## Much Ado About May

### Equine Massage

When Kris Lloyd won a free massage during the closing event at Cloudline Hounds Fox Hunt, she knew **Falcon** was in for a rare treat!

### Britt Cox & Spike Budd

**Britt Cox**, our very own WRS master of fun, coordinated and orchestrated the 2010 BBQ, numerous social gatherings and guides weekend tours to the lake.

The team has also been in a couple fashion shoots.

This year, we celebrate Britt's birthday at the annual Dallas Symphony Memorial Day Concert @ Flag Pole Hill, May 30th at 8pm, complete with fireworks! Look for our group front and center. All are invited!

Gay Fowler, certified equine massage therapist is happy to help horses gain a competitive advantage. For more info or to pamper your horse, contact Gay via email: [gayfowler@wildblue.net](mailto:gayfowler@wildblue.net)

### Congratulations We're Proud of You

### Jennifer Wickline DVM

Jennifer and her family grew up at WRS. We were thrilled when she went off to Texas A&M and became valedictorian of her graduating class. Jennifer will receive her DVM from Texas A&M on May 12, 2011. Best wishes as you begin your general practice internship at Reata Equine in Weatherford, Texas.

### SaraKerens Photography Just Ms Kitty aka Madge

In March, Sara did her Spring fashion shoot called "the anthropologist" at WRS. Please see her amazing talent here: <http://www.sarakerensphotography.com/blog/2011/03/30/the-anthropologist/>.

How ironic that *Just Ms Kitty* would come to be owned by Debbie Dillon (Howison). Beautiful Madge is Jockey Club and AQHA registered with *Impressive* bred bloodlines.
