

WHITE ROCK STABLES

Recipe for Hershey's Best Brownies

Paula Walker fell in love with horses at six years old when her parents took her to the Devon Horse Show in PA. Decades later she looked for her first horse. It was through her husband Brian that she met Debbie Howison; the catalyst for many whose dream of horses finally comes true.

Her intro to White Rock Stables was observation of a group gaited horse lesson followed by the usual trail ride. It was on that well fated day that Hershey, 10 yr old, Tennessee Walking Horse gelding, trailered in by former boarder Charmian Reap to ride along.

Debbie planted the seed thought when she let the group know Paula was looking for a gaited horse. Several months later, Paula got the best phone call of her life. Charmian decided to sell Hershey because of new family joys and responsibilities. And Hershey came back home.

"Hershey is 40 + years of dreams come true, said Paula. Every day with him is a blessing. I still have to pinch myself to remind me that it is true and that I have a horse to call my own".
